Websites

The image contains two side-by-side screenshots of websites. The left screenshot is for 'Brassy & Sassy', a website for all-natural, chemical-free, and handmade beauty products. It features a header with three diamonds labeled P, S, and L, and sections for Philosophy, Shop, and Learn. The right screenshot is for 'Thrift Portland', a website for finding second-hand items. It features a large image of a vintage radio and a welcome message.

Web Apps

The image shows a screenshot of the Brassy & Sassy web application, which has the same visual design as the website but with a different URL in the address bar.
